

GRADEFORGE AI X

Your Access Card

Your Personal AI Academic Operating System

STEP 1 - Tap your private app link:

<https://jackrkingsbury-byte.github.io/Escape/>

STEP 2 - Enter your access code:

FORGE-X7Q2

STEP 3 - Tap Unlock. You are in!

Enter your name, pick Global or South Africa mode, then tap 'Explore with demo data' to see the whole system fully loaded.

Good to know:

- Works on any phone, tablet or computer. No app store, no installing.
- You only enter the code once per device.
- Your marks and data save privately on your own device - no accounts.
- Tip: use your browser's 'Add to Home Screen' for an app-like icon.

Questions or lost your code? Message us any time - we reply fast.
